SOME OF THE MOST SPACIOUS STATEROOMS AT SEA, DESIGNED WITH FAMILIES IN MIND

Disney Cruise Line staterooms are among the first in the industry to be tailored especially for families, pioneering innovative comforts and modern features you won't find with any other cruise line. Oceanview Stateroom

- Our staterooms are designed with families in mind—almost all offer a split bathroom with separate sinks and a bathtub, meaning you can get ready at the same time, and enjoy a relaxing bath at the end of the day.
- Choose from four different styles of stateroom: Inside, Oceanview, Verandah and Suite. And select between Standard and Deluxe sizes to meet all your family's needs. You can also request connecting or side-by-side staterooms.
- All stateroom sizes offer comfort for at least three people, with most Deluxe Family Staterooms with verandahs perfect for up to five!
- Kids will love our Magical Portholes onboard *Disney Dream* and *Disney Fantasy*—these 'virtual windows' offer real-time views outside the ship and can be found in our inside staterooms—meaning every stateroom is a room with a view.
- Superior attention to detail for every family member—from vintage decorative finishing touches to the playful 'towelgami' that both kids and adults will love.
- What's more, the quality care and attention from both our staff and crew will make you feel right at home, and you can rest assured it's all included in the price of your cruise!
