WELCOME ABOARD

Welcome to Holland America Line. It's our privilege to offer enriching, classic-style cruises that connect you to the world's most fascinating people, places and cultures.

Our itineraries span the globe with more than 400 ports of call, a number unequalled among premium cruise lines. The staff and crew on our beautifully appointed mid-sized ships pamper you with gracious service and an uncanny ability to anticipate your every desire.

We're particularly excited about recent enhancements and exclusive partnerships, including BBC Earth Experiences, showing you the natural world as never before, as well as Destination Guides, in partnership with AFAR. Music Walk™, available on select ships, is an immersive showcase for outstanding live performances. It includes Lincoln Center Stage, an ideal setting for nightly chamber music; B.B. King's Blues Club, the best of Memphis soul and funk at sea; and Billboard Onboard, featuring 50 years of chart-topping hits.

And we're transforming the suite experience, part of a \$300 million initiative rolling across our fleet. Watch for updated décor and furnishings, renovated bathrooms, technology enhancements and even more in-room amenities.

We continue to innovate with our exciting new Pinnacle-class ships. In April 2016 we welcomed *ms Koningsdam*, and in fall 2018 her sister ship, *ms Nieuw Statendam*, will join the fleet.

We're proud of our rich seafaring heritage of more than 140 years while providing the best in amenities, activities, dining and entertainment with timeless elegance. We look forward to welcoming you aboard.

Sincerely,

Orlando Ashford
President
Holland America Line

EXPERIENCE WONDER

ALASKA & THE YUKON

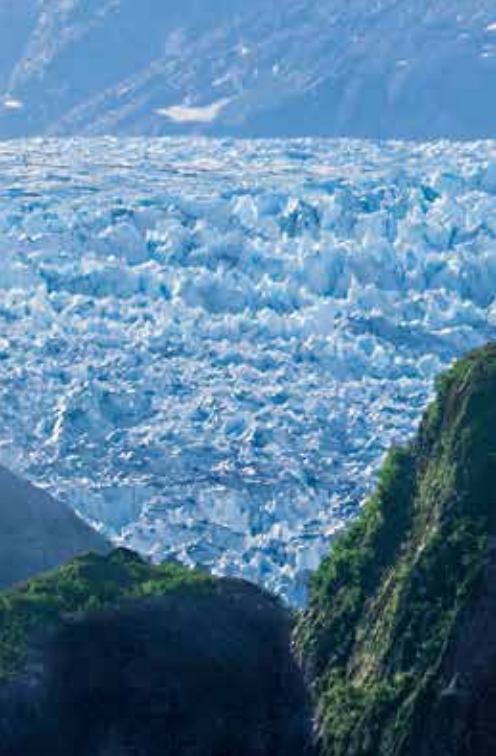

YOUR NEXT GREAT ADVENTURE AWAITS

Welcome to a land that is literally larger than life. Alaska is home to Denali, the highest mountain in North America, glaciers as tall as skyscrapers, three million lakes with an area of more than 20 acres, vast tracts of untamed wilderness and all the room in the world to create your next great adventure.

We started exploring the Great Land 70 years ago. Even then we had a feeling that this could be the start of an amazing and enduring relationship. And with every year, we've made it easier for you to delve deeper, venture farther and discover even more of this astonishing place on land and by sea.

Cruise through crystalline waters surrounded by towering glaciers. Be on the lookout for caribou and Dall sheep as you tour the tundra in Denali. Retrace the journey of the original Klondikers in the historic Yukon. With each day, you'll come even closer to discovering the Alaska few ever see.

From lush meadows blanketed in wildflowers to expansive seascapes harboring whales, otters, golden eagles and other captivating wildlife, your experience will ensure you come back from your trip knowing and loving the Great Land as much as we do.

Our mid-sized ships are ideal for cruising along narrow fjords and moving in closer to Alaska's astonishing glaciers and wonders on shore.

Relax and toast to another awe-inspiring day as you meet in a place where elegance and discovery converge.

Experience excursions created to suit your every whim, from reliving gold rush history to thrilling airborne adventures.

CRUISES

TAKE IN THE NATURAL BEAUTY ALL AROUND YOU

Delight as leaping porpoises spring from pristine waters. Take the perfect photo of an eagle sweeping by overhead. Awaken to the “Whoosh!” of a whale breaching right before your eyes. Our Alaska cruises are all this and, naturally, glaciers: towering, expansive, monumental in every sense.

In one week you cruise through quiet fjords, watch ice-blue glaciers calve into the sea, mix with Tlingit elders in rustic Ketchikan or opt for a walk on Juneau’s Mendenhall Glacier as part of a helicopter tour. In two weeks you can do even more: cruise along the wondrous

Inside Passage, fish for halibut in Homer, witness remarkable Hubbard Glacier or wander the nature trails on Kodiak Island.

Outside your ship lies a world of rugged beauty. Inside is another world entirely, where you can retreat to a quiet corner with a good book or watch your favorite drink appear as if by magic in the bar.

Whether you’re experiencing the thrilling spectacle outside from our Promenade Deck or the touch of a relaxing massage in our spa, we make it easy to lose yourself in a sea of contentment.

Experience the thrill of a lifetime as you enjoy an eagle's-eye view of the deep blue crevasses and icy spires of Mendenhall Glacier.

Enchanting and evocative, Alaska inspires wonder in even the most intrepid traveler with its unparalleled blend of nature, culture and otherworldly delights.

View Alaska's maritime marvels from the expansive deck of your ship as an onboard ranger enriches your journey with insights about the grandeur that surrounds you.

The quintessential Alaska cruise, featuring the quaint towns of the Inside Passage plus scenic cruising in Glacier Bay National Park.

Days 0–1 Relax, unpack, enjoy lunch alfresco on your private verandah while a remarkable nature show plays before your eyes: breaching whales, soaring eagles, barking seals.

Day 2 In Juneau opt for a helicopter adventure over the immense Juneau Icefield, hovering close enough to see deep into bottomless blue crevasses. No less thrilling: setting down for a walk on crunchy glacial ice.

Day 3 In Skagway, staging grounds for the most incredible gold rush the world has ever known, stroll wooden boardwalks past the saloons and former brothels that enticed prospectors to part with their pokes.

GLACIER BAY

National Park Service rangers will board your ship in Glacier Bay to point out wildlife and explain glacial activity.

TOTEM TALES

Study the stories carved into the Tlingit totems at Saxman Native Village in Ketchikan; carve a story of your own with a tribal elder.

Day 4 Cups of Dutch green pea soup are being served on the Lido Deck as your ship edges so close to the face of Glacier Bay's Margerie Glacier that you can feel its coolness in the air. Listen: That's White Thunder, the Tlingit name for the sound of glaciers crashing into the sea.

Days 5–7 The Tlingit Nation welcomes you to Ketchikan with song and dance at the clan house in Saxman Native Village. At sea, en route back to Vancouver, British Columbia, take in the many shipboard amenities still on your "to do" list: a massage, winetasting...

STRIKE GOLD

Learn about gold nuggets at the ship's luxury jewelry boutique; select a glittering piece that will forever remind you of this Alaska cruise.

Inside Passage

Some glaciers, like the beauties at Glacier Bay National Park, are found at tidewater. Others, like the Mendenhall, are found in inland valleys right at street level. You'll see both.

Days 0–2 Join the festive sailaway party on the Lido Deck as your ship slips under Vancouver, British Columbia's iconic Lions Gate Bridge bound for fascinating explorations of the Inside Passage. First up: Ketchikan, where Tlingit clan stories unfold in intricate totem carvings and salmon-rich streams invite anglers to cast their lines.

Day 3 The mighty Mendenhall Glacier, just outside Juneau city limits, will leave you breathless, as will the Mount Roberts Tramway as it lifts you straight up the mountain for sweeping views of the area—and your Holland America Line ship moored in the harbor.

Day 4 In Skagway hear riveting stories of the gold rush, tall and true, on a walking tour of downtown, now preserved as the Klondike Gold Rush National Historical Park.

Day 5 Watch as a monumental chunk of ice splits off and thunders into the sea, shooting water hundreds of feet into the air. Hold your breath as you capture the moment. Then wait for it all to happen again. And it does: Glacier Bay has more actively calving tidewater glaciers than anywhere else in the world.

Days 6–7 After a relaxing day at sea, arrive in Seward and travel the scenic Kenai Peninsula to Anchorage for a post-cruise vacation or connections home.

COFFEE BREAK

The Explorations Café serves up espresso drinks, Alaska travel guides and *The New York Times* crossword puzzle.

EAT, DRINK ALASKA

Immerse yourself in everything Alaska at a seminar featuring local microbrews, seafood and artisanal fare.

IDEALLY SIZED SHIPS

This Alaska cruise adventure begins and ends in Seattle, provisioner to prospectors, incubator of jets, jazz, coffee and computer software.

Days 0–2 Seattle's air is fresh, its inland sea dotted with sailboats and ferries. Gulls dip and dive around the harbor, then soar away into an eddy of sunlight as your luxurious Holland America Line ship departs for an adventure through the fabled Inside Passage. First up: Juneau, where you feel the thrill of discovery as you pan for gold in the creek that triggered the Klondike Gold Rush.

Day 3 By noon you are at the face of Margerie Glacier, close enough to hear the glacier groaning and to feel the drifting spray made as a tower of ice the size of a three-story building breaks off and thunders into the sea.

ALASKA ON BOARD

Dine on Alaska king crab or thrill to an ax-throwing demonstration by a world champion lumberjack.

JOURNEYS ASHORE™

Our shore excursions are designed to bring out the best in each destination—be it nature, gold rush history or culture.

Days 4–5 Sitka, the capital of Russian America, welcomes you with lively performances by the New Archangel Dancers, while in Ketchikan it's all about fishing. Back on board your luxurious ship, succulent Alaska king crab legs drenched in drawn butter await at the intimate Pinnacle Grill.

NATURAL MAJESTY

DENALI

LAND+SEA JOURNEYS

EXPERIENCE THE STATELY SPLENDOR OF DENALI

What is the measure of a mountain? In the case of Denali, it's 20,310 feet. That's enough for the mountain to create its own weather, shelter a large assembly of eagles and take your breath away. At the foot of Denali lie six million acres harboring Alaska's own "big four": Dall sheep, moose, caribou and grizzlies.

The anticipation builds the moment you board the McKinley Explorer®, our domed railcar service from Anchorage to Denali. Luxurious and roomy, its arched windows offer panoramic views of the stunning scenery you'll encounter along the way.

An onboard narrator offers interesting commentary, making sure you won't miss a thing.

Upon arriving at Denali National Park, you may be overwhelmed by all there is to discover: hiking, river rafting, fishing, ATV adventures, plus a wealth of exciting gold rush history. Our longer Double and Triple Denali stays provide the time you need to take it all in.

The majesty of Denali is matched only by the spectacle of Alaska's fabled glaciers. There's no better way to experience them than on a relaxing 7-day Glacier Discovery cruise.

The arresting beauty of Alaska captures your imagination and heightens your senses at every unforgettable turn.

Inhale the awesome majesty of Denali and the wonder all around it. This is a place that surpasses even a seasoned traveler's great expectations.

Soaring Denali gives way to massive glaciers on your journey from unspoiled wilderness to pristine waters.

DIVE IN DEEP

10- to 15-Day Denali Land+Sea Journeys

Take time to thoroughly enjoy Denali, whether you're dogsledding along the tundra, spotting moose foraging in a meadow, or indulging in the cozy comforts of your private chalet. Combine the best of both worlds with an ever-fascinating cruise along the Inside Passage. Feast on fresh crab and other local specialties while gliding along ancient fjords sculpted by glaciers. When was the last time you had a dinner that was as awesome as the view?

ETHEREAL ENCHANTMENT

ASIA

ANCIENT, MODERN AND UTTERLY FASCINATING

The silence of a 14th-century Shinto shrine speaks volumes. A Chinese garden, unchanged for 600 years, whispers the wisdom of the ages. Elsewhere, Shanghai's Maglev Train rockets by. Meanwhile, major metropolises everywhere bustle and buzz with the electricity of youth and pop culture. Holland America Line cruises bring you the marvels of Asia, where the ancient and modern intersect. Journey with us to the hives of modernity, abuzz with art, music, shopping and culture, in cities like

Beijing, Singapore, Bangkok, Hong Kong and Tokyo. And venture with us, too, to those placid and contemplative places such as Vietnam's incredible northeast coast, Halong Bay, where 2,000 limestone islands stipple the vast bay; Cambodia's mysterious Angkor Wat, the magnificent temple complex of the Khmer kings; or the Great Wall of China, with some 13,000 miles of structure to contemplate. As vast as Asia is, Holland America Line knows how to help you design your memorable trip.

The towering tiers and manifold eaves of Asia's many iconic pagodas hold your gaze and still your soul.

You sense instantly the deep spirituality of this place, populated with Buddhist monks in saffron robes.

A stone's throw from your port, seas of rice fields unfold over hills and disappear with the sun into a beautiful horizon.

A BREATHTAKING, OTHERWORLDLY BEAUTY

The deep whirl of an aboriginal didgeridoo. The collapse of waves on sand white as clouds. The thrash of kangaroos leaping through brush, rooted in earth red as Mars. Holland America Line is thrilled to take you to and immerse you in the rich spectacle of this wonder-filled land down under, where your cruise combines the exotic, the ancient and the ultramodern in one unforgettable journey. The epitome of exotic: The Great Barrier Reef, Earth's largest interconnected structure of living organisms, where you can

sink your eyes into a riot of tropical color, coral and aquatic life. The ancient island of Māori warriors, New Zealand amazes with its near-bottomless Fiordland National Park, revealing around every bend another vista more magnificent than the last. No less awe-inspiring are the modern marvels that mark your Holland America Line journey, like the spectacle of the Sydney Opera House silhouetted against the glow of an early evening sky.

Fresh fruit, quite possibly the most succulent you have ever tasted, is common fare among this continent's exquisite cuisine.

According to lore, your dreams are made real through the tradition of indigenous Australian song and dance.

Australia teems with native animals found only here. Which of them will you see?

Days 0–4 The lyrical silhouette of the famed Opera House fills your vision as you sail from Sydney for explorations in Melbourne, city with a Victorian flair, and in Tasmania, home of feisty devils.

Days 5–7 Across the Tasmanian Sea lies New Zealand and the cathedral-like silence of Milford Sound, star of Fiordland National Park. Thrill as your Captain nudges the bow of the ship right up to a plunging waterfall; dine alfresco on the Lido while steep-sided fjords drift by.

Days 8–10 On the South Island, Dunedin greets you with a Scottish accent (aye, there's even a splendid Edwardian castle to emphasize the

kinship), while decidedly British Christchurch invites you to picnic on the lawn-lined River Avon. In Picton follow your nose to award-winning wineries.

Days 11–15 On the North Island, Wellington invites you to stroll botanic gardens fragrant with the scent of heirloom roses, while Napier delights with an art walk past buildings in the striking clean style of Art Deco. From Tauranga, travel to the geo-thermal activity and fascinating Māori Village at Rotorua. At cruise end, enjoy an overnight in Auckland with time to sail on an America's Cup yacht or take an adrenalin-pumping jet boat ride around Waitemata Harbour.

ABOUT OPALS

Australian opals are among the finest in the world, and thanks to an informative lecture about their color, cut and "fire," you can buy with confidence.

LAND OF LAMB

Australia and New Zealand are famous for their lamb. So are we. Lamb chops, kebabs, on the rack, so artistically presented that you will wonder, "Is this food, or is this art?"

WINE & ROSES

Warmed by strong sunlight during the day and cooled by sea breezes at night, grapes in New Zealand produce distinctive wines—most notably Sauvignon Blanc. Taste for yourself on

an optional excursion from Picton or Napier. Those rose bushes planted at the ends of the rows? These delicate flowers will be first to show signs of any infestation in the vineyard.

To the fascinating ports of New Zealand's North and South islands, Holland America Line adds the breathtakingly beautiful Bay of Islands.

Days 0–10 Sailing from Sydney, Australia, stop in Hobart to hand-feed the 'roos at Bonorong Wildlife Park, then cross the Tasmanian Sea for an in-depth exploration of New Zealand's South and North islands. Highlights: scenic cruising of Milford Sound, the star of Fiordland National Park, and the celebrated vineyards of Picton and Napier.

Days 11–12 "Tauranga" is Māori for "resting place for canoes." While your "canoe" rests for an extra-long day, visit a center of Māori culture set in a thermal wonderland of steaming geysers and bubbling mud pools at Rotorua. Moored between two sparkling harbors,

Auckland boasts the greatest number of boats per capita of any city in the world—your chance to crew an America's Cup yacht or zoom around Waitemata Harbour in a jet boat.

Day 13 Cruise among the 150 idyllic rural island landscapes of the Bay of Islands, including Waitangi, where you may climb into a huge log waka (a traditional Māori canoe) and paddle through the tranquil estuaries of the Waitangi River—a great story to tell tonight over a hopped-up Kiwi beer at the Casino Bar.

Days 14–16 Head back to Australia, happy in the knowledge that there are discoveries to come with an optional post-cruise vacation in Sydney.

SYDNEY SIGHTS

Come a little early, or stay a little later with an exceptional hotel package arranged by us. Take a seat at a café on the Circular Quay and admire the billowing sails of the Opera House. Catch a

ferry to the zoo where wallabies and koalas await. Or stroll the 70-acre Royal Botanic Garden. Feeling adventurous? Join an excursion to climb the world-famous Sydney Harbour Bridge.

MEET THE MĀORI

Visit a Māori *marae*, a real working meeting place where you will be given the traditional (and startling) warrior challenge (*wero*) and welcome (*powhiri*), followed by a *hongi*, the ceremonial

pressing of noses. Learn how the Māori have retained their culture and customs in a rapidly changing world, then enjoy a concert of songs, stick games and the *haka* war dance.

PASTEL PARADISE

Bermuda, the enchanting British island territory in the North Atlantic, is calling you... to revel in its turquoise waters and on its pink-sand beaches, to inhale the blissful fragrance of just-bloomed hibiscus, and to hear the splash of whales and songs of birds. Here, the grandness of nature and the lure of history are ubiquitous, and the journey is as unforgettable as the destination itself.

Have you ever experienced beaches this talcum-soft with sand so pink? Welcome to Bermuda.

BERMUDA

The perfect week's vacation: a cruise to Bermuda beginning and ending in Boston, with four days and three nights to enjoy this delightfully British island with a tropical touch.

Days 0–2 From Boston it's just a hop, skip and a cruise to Hamilton, Bermuda, where the *ms Veendam* will dock in the heart of downtown Hamilton just steps from bustling Front Street, close to shops, teahouses and horse-drawn surreys.

Day 3 Warm sun streams into your stateroom, inviting you to don a pair of Bermuda shorts and hit the beach. The sand here is pink and soft as spun sugar, perfect for toe wiggling. Is this the day you'll play golf on a championship course? Stunning seaside links present the ultimate water trap: the deep, blue Atlantic. Tonight at the lively Piano Bar, celebrate breaking par.

Day 4 Another sunny day, and the choices are many: a cricket match, a glass-bottom boat ride to the coral reefs of Turtle Cove, exploring streets with sweet-sounding names such as Pie Crust Lane and Berry Hill Road.

Day 5 Don't miss the venerable English settlement of St. George's, so perfectly preserved it has been named a UNESCO World Heritage Site. Witness the spectacle of a Town Ducking—the old English public punishment for various moral crimes such as gossiping.

Days 6–7 Cruise back to Boston, cradle of American history.

THE LAND OF LIGHTHOUSES

CANADA & NEW ENGLAND

AT ONCE RUGGED AND REFINED

The flap of rising sails on wooden masts. The buzz of lobster boats off-loading the day's catch (tonight's dinner!). And the squawk of gulls circling high above, along craggy coasts and lighthouse-adorned granite cliffs. There's no mistaking you're here, in the storied lands of Canada and America's New England, known for its breathtaking scenery, historic seaports, culinary treats and cultural charm. With 44 sailings spanning spring, summer and fall, Holland America Line proudly introduces

you to the region's quintessential ports of call, from bustling multicultural cities like Boston and Québec City to quaint, one-of-a-kind harbor towns like the artists' enclave of Bar Harbor, Maine, (pronounced "Bah Habah" by the locals) and Prince Edward Island's Charlottetown, the birthplace of the Canadian confederacy. There's a reason this region is considered one of the most picturesque, historic and culturally rich in the world. Find out on Holland America Line.

You can almost hear it: the click and clack of horse-drawn carriages rolling through these old, cobbled alleyways.

Few places in the world have such a dense concentration of maples; be spellbound by the red, orange and gold of their autumn leaves.

Freshly caught lobster dipped lightly in hot, melted butter—the mere thought of it buoys your spirit.

Kayak. Whale-watch. Eat. Shop. The perfect family summer vacation is found in the history and scenic beauty of Canada and New England.

Days 0–1 Sail from Boston and awaken in Bar Harbor, Maine, anticipating a cruise on a Downeast Maine-style lobster boat. That evening, in the ship's elegant two-tiered main Dining Room, feast on succulent lobster sourced from these very waters.

Days 2–3 A hundred thousand Gaelic welcomes await you in Nova Scotia, beginning with a performance by a Citadel highlander and a bagpiper as you sail into Halifax. At the northeast end of the province sits Cape Breton Island, wildly beautiful with inviting highland villages and rugged coastlines. Sydney is the gateway to it all.

Day 4 On Prince Edward Island visit the farmhouse that inspired *Anne of Green Gables*

and hear the story of the creation of the Canadian confederacy on a self-guided walking tour/scavenger hunt in Charlottetown. Will you find the cannon sunk in the sidewalk?

Days 5–6 Poutine (a Canadian indulgence of french fries, gravy and cheese) is served on deck as you cruise the wildlife-rich St. Lawrence River, watching for beluga, humpback and minke whales. In Québec City discover a tree-lined Champs-Élysées, buttery croissants, the lilt of French, the haute couture shops of Old Town. Is this Canada or France?

Day 7 Reluctant to bid adieu to French-speaking Canada, continue your discoveries with a post-cruise vacation package in Montréal.

HALF MOON CAY

RATED THE BEST PRIVATE ISLAND EXPERIENCE

The anticipation is palpable as you approach Half Moon Cay, Holland America Line's award-winning private island in the Bahamas, set aside just for you. Here, a magnificent two-mile crescent of silky, white sand rimmed in blue invites you to a day of play like no other. Rent a Hobie Cat® and fly around the bay, your sails filled with the ancient tropical breezes that delivered Columbus to these shores. Or zoom around the island on a guided personal watercraft tour. Visit Stingray Cove, where these

curious creatures of the deep will follow you anywhere for a little piece of squid. And yes, those are horses you see splashing in the gentle surf, and they're yours to ride, if you choose, along with an expert guide. Or perhaps your definition of paradise is a massage on a beach shaded by rustling palms. It's all here and possible on nearly every Holland America Line itinerary, whether you're cruising the Caribbean's East, West or South (described on the following pages).

Saddle up and ride a pedigreed quarter horse, specially trained to swim in the ocean, whose ancestors were brought to the island from Jamaica. All to our guests' delight.

Visit Half Moon Cay on whichever Caribbean you choose to explore: the beautiful beaches of the Eastern Caribbean, the world-class diving and Mayan ruins of the Western Caribbean or the myriad cultures of the Caribbean's southern reaches.

On Half Moon Cay settle into a private cabana on the beach provisioned with fresh tropical fruits, chips, dips, salsas and soft drinks to keep you sated, misting stations and whirring overhead fans to keep you cool.

Days 0–2 Sailing from Ft. Lauderdale, enjoy a glorious day at sea, swaying to the catchy rhythms of calypso. By the time you arrive in Grand Turk you'll be on "island time," ready to snorkel with blue angelfish or ride an ATV over shifting dunes.

Stroll the cobblestone streets of Old Town, following the aromas of *pernil* (roast pork) as you've never tasted before. This evening, sway to the sound of castanets and the passionate strains of flamenco guitar at a local club.

Day 4 Next: St. Martin or St. Maarten, depending on which side of this half-French, half-Dutch island you're visiting. You'll call at Philipsburg, where Front Street shops tempt with chocolates and cheeses... and casinos, where the winner could be you.

Days 5–6 A carefree day at sea, then a day of play on Half Moon Cay, Holland America Line's private island in the Bahamas. Fly around the bay on a sprightly Hobie Cat®, your sails filled with warm, tropical air; swim with stingrays; or just sit still, sinking your toes into silky white sand.

SEE THE OLD WORLD ANEW

EUROPE

Steep Norwegian fjords carved by the Ice Age. Onion-domed palaces built by Russia's imperial czars. The skirl of highland bagpipes off Scotland's shore. The wonders of Croatia, Greece, Turkey, Italy, the Black Sea and the French Riviera. And lest we forget: the spring that never ends in Spain, Morocco and the volcanic archipelago that is the Canary Islands. For all of us at Holland America Line, Europe holds a special place in our hearts and minds. We began sailing the Atlantic Ocean and European seas more than 140 years ago; since then we have visited untold ports of call. To us there is no greater joy than being able to share with you the long view of Europe and its history through myriad local points of view. In other words, welcome to a grand epic that is uniquely Europe; it's time to make it yours.

MEDITERRANEAN

A CELEBRATION AT EVERY TURN

The lands that rim the Mediterranean are where civilization began—and where the fine art of living has been perfected ever since. From monumental sights such as the Acropolis or the Colosseum to simple pleasures like fresh bread dipped in estate-pressed olive oil, the Mediterranean holds endless appeal. As does Holland America Line's dazzling 2017 Mediterranean program, anchored by a set of perfectly crafted voyages aboard *ms Westerdam*; *ms Oosterdam*; and *ms Koningsdam*, our new Pinnacle-class ship.

Join us and walk in the footsteps of Greek philosophers Plato, Socrates and Aristotle. Behold the dazzling Provençal light that enchanted Picasso, Matisse and Cézanne. Live the dream of a moonlit gondola ride. (Just so happens we overnight in Venice.) Marvel at medieval Croatian towns clinging limpet-like to Adriatic coastlines. The Mediterranean is a celebration of life itself... with sights and sounds and Holland America Line itineraries enough to move you to exclaim, "Opa!"

Feathered light filters in and falls gently upon the ground of an ancient chapel, highlighting the majesty of its mosaic floor.

The mood is joyous in a bustling open-air market; fruits, vegetables and fresh-pressed olive oil are the objects of exultation.

Your eyes close on a floor-to-ceiling view of the sea as warm, soothing stones guide you into a moment of quietude and calm.

SCENIC CRUISING

Strait of Messina

Home of the muses, center of the classical world, Athens and the Greek Islands will enchant you, one blissful day at a time, as you cruise the sunny Aegean Sea.

Days 0–4 Depart Venice for the mythical Greek islands. Up first: Cephalonia, renowned for its glimmering blue-violet Drogarati Cave, with acoustics so fine that Maria Callas often performed here. In Olympia, site of the first Olympic games, take your place on a grassy knoll and picture the discus thrower of ancient days in his classical pose. In Nafplion decide which feels better: Asclepion, sanctuary for the god of healing, or the ship's own mineral pool?

Days 5–6 In Athens stand in the shadow of the marble-columned Parthenon one day, sip ouzo and sway to bouzouki rhythms the next. *Yasou!*

Day 7 On Mykonos, fishing boats bob in a harbor of mottled blues, and a tangle of

dazzling white alleyways invite you to discover hidden boutiques and cafés.

Day 8 Today visit the incredible ruins of Ephesus ... the Temple of Artemis, the stunning façade of the Library of Celsus, the Great Theatre where St. Paul preached to audiences of 24,000.

Day 9 On Santoríni discover the beautiful village of Oia, where streets are paved with marble; and Sigalas, where grapevines are trained to grow into basket shapes.

Days 10–12 En route to Rome call at Naples and marvel at the inconceivable power of Vesuvius as you visit the ruins at Pompeii.

ENLIGHTENMENT

Our Journeys Ashore™ are carefully curated to illuminate stories from behind the ancient ruins you will visit along the way.

For people who love the sea, a voyage across the Atlantic is bliss — especially when it includes unusual ports such as Horta in the Azores and Normandy's Cherbourg.

Days 0–3 From Ft. Lauderdale cruise to Hamilton, Bermuda, where *ms Prinsendam* will dock in the heart of downtown just steps from bustling Front Street, close to shops, teahouses and horse-drawn surreys.

Days 4–7 And now, four carefree days at sea enjoying a classic Transatlantic crossing. There will be parties and special teas and festivities reminiscent of cruising's golden era, plus a formal affair worthy of your finest attire.

Day 8 True to a tradition of presenting new and unusual ports of call, today *ms Prinsendam* calls at Horta in the Azores. Here peer into a vast mile-wide volcanic crater, set like a jewel in a lush, ultra-green laurel forest.

AMSTERDAM

Diamond cutters, art walks, canal cruises, the Dutch countryside: Amsterdam offers so many possibilities, a post-cruise vacation is a must.

LEARNING AT SEA

As you cross the Atlantic, learn why the beaches in Bermuda are pink, how the Azores were formed, what makes Belgian chocolates so uniquely delicious.

Days 9–12 In Cherbourg, head for the cafés and shops of Place General de Gaulle. Or tour to Mont Saint-Michel, a grand medieval monastery perched atop a rocky island and approached only by the tide's grace.

Day 13 The bustling port city of Zeebrugge puts you within reach of Belgium's best sights: canal-laced Brugge, mecca for chocolate lovers; Brussels, home of the European Union; and Ghent for a taste of Belgian waffles at their source.

Day 14 Arrive in Amsterdam, an ocean away from where you first began, rested, relaxed, ready for what's next.

FRENCH CONNECTION

En route to Normandy enjoy all things French: learn how to make buttery croissants at the Culinary Arts Center, dine on boeuf bourguignon and crème brûlée in the elegant

FABLED LANDS OF PARADISE

These are the islands built by lava, the Hawaiian Islands, where the fragrances of flowers and rhythms of nature—azure waves, secret waterfalls and exotic birdsong—drift across them all. In the spirit of “aloha,” which means “hello” and “goodbye” and “I love you” all at once, Holland America Line explores myriad destinations throughout this archipelago of delights.

Waterfall rainbows glint in the sun, perennial blooms scent the air, and ancient stories are told through the hula.

CIRCLE HAWAII

The islands are calling. Answer aloha'ae, "yes," as you experience Hawaii as few have, beginning (and ending) with carefree days at sea.

Days 0–6 What bliss, five carefree days sailing from Seattle/Vancouver to paradise, dining, dancing, learning all about the islands from your knowledgeable Location Guide. Did you know that the ukulele has its origins in Portugal? Or that not all leis are made of flowers?

Day 7 By the time you reach Hilo, you'll have heard the story of Pele, hot-headed goddess of fire, and how she continues to spew molten lava from her lair in Kilauea Volcano.

Days 8–9 Waikiki tells one story of Honolulu. The dormant volcano of Diamond Head tells another. Pearl Harbor yet a third. An overnight stay in Honolulu gives you time to write your

own story as you feel the beat of hula drums and sample pineapple fresh from the field.

Day 10 On a catamaran cruise from Lahaina, hear the song of migrating humpback whales; answer the unmistakable call of the conch shell, summoning you to tonight's luau on the beach.

Day 11 The primeval splendor of Kauai's Na Pali Coast will take your breath away as your helicopter buzzes cliffs that drop 4,000 feet to blue surf.

Days 12–17 En route back to Vancouver, rest in the aloha spirit with a ginger and lime massage in the spa or mai tais beside the Lido Pool.

MAJESTIC MEXICO

Welcome to the birthplace of ancient Aztec and Mayan civilizations—Mexico, the land of mountains, deserts, jungles, and beaches that go on forever. Where today cobbled streets bustle with busy open markets and upscale shops in Puerto Vallarta. Clear waters teem with marlin, swordfish, sailfish and tuna off Cabo San Lucas. And, in countless coastal restaurants, fresh-caught fish and shellfish steam with the scent of local spices.

Discover the reason people keep coming back: beaches without end, coastal villages with cuisine as colorful as the landscape.

MEXICAN RIVIERA

Come with us as we visit the most popular seaside resorts of the Mexican Riviera, each one beckoning with a joyous mood set to mariachi music.

Day 0–1 Sail from San Diego and get into the joyous mariachi mood at the Sailaway Fiesta, poolside on the Lido.

Day 2 The famed rock arch (Los Arcos) of Cabo San Lucas looms outside your stateroom as you enjoy breakfast on your private verandah, considering your many options for the day: a Baja Jeep® safari, whale-watching, parasailing. Opt for a salsa-making class with energetic chefs who will also get you moving and swinging to the rhythms of salsa music.

Day 3 At first blush, Mazatlán appears to be a big cosmopolitan beach city, but beneath its glitzy veneer is true heart. Hold your breath as

divers wait at the top of a rocky outcrop for just the right wave, then plummet 45 feet into the sea. Exhale. Settle into a surf-side café and dine on a regional specialty: shrimp *al mojo de ajo* (with garlic sauce).

Day 4 In Puerto Vallarta stroll the bustling malecón, lined with shops and incredible sculptures for all to enjoy. Or “Go Tarzan” as you zip line through a tropical jungle, swinging from platform to platform.

Days 5–7 And now, two carefree days at sea, sipping icy margaritas as you make your way back to sunny San Diego.

LOCAL CULTURE

The spirit of Mexico comes alive with poolside mariachi bands, a Mayan welcome dockside, salsa performances in the Show Lounge.

SHOPPING

Pesos for dollars, your money goes far in Mexico. Shop for dazzling Mexican fire opals, Talavera ceramics, silver jewelry (look for the 9.25 stamp).

TASTE OF MEXICO

Flavoring the menu in our main Dining Room: garlic shrimp (*camarones con ajo*), creamy flan; and on the Lido, an alfresco bar serving up frosty margaritas.

WHALE!

Scan the horizon for majestic gray whales, seen in these waters by the hundreds during their seasonal migration north.

A JOURNEY THROUGH BLISS

PANAMA CANAL

TWO OCEANS, ONE CRUISE

Embark on what savvy world travelers consider the thrill of a lifetime: cruising ocean to ocean via the Panama Canal. Nearly 2 miles in length, your journey through this engineering marvel involves a dozen locks in total. From the Pacific Ocean to Gatún Lake, feel yourself being lifted through the locks of Miraflores and Pedro Miguel. Then, near the town Gatún, feel yourself being lowered, ushered to that ocean on the other side of the world: the Atlantic. Holland America Line brings you

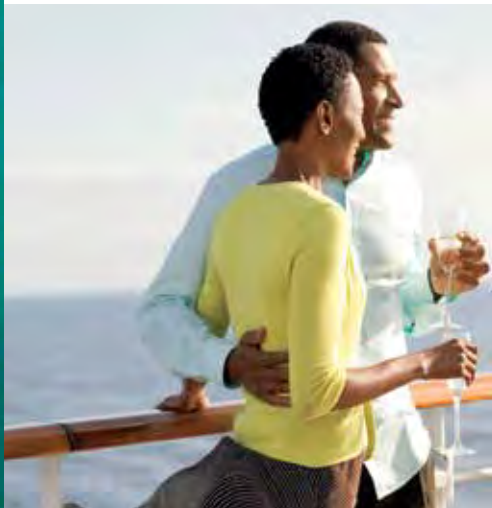

through the Panama Canal in grand style with options not found elsewhere. Explore Cartagena, Puerto Vallarta and charming Mexican fishing villages; and immerse yourself in the rain forest paradise of Puerto Caldera, Costa Rica, where a lush, verdant ecosystem drips with life. Whether you choose our Sunfarer® cruises (see page 98) or our longer Collectors' Voyage cruises, Holland America Line has a Panama Canal cruise vacation perfect for you.

The life that emanates from this storied land—its jungles, its mountains, its ranchlands—is beyond compare.

Pass through flora and fauna both wild and wonderful and towns both simple and ornate; the Panama Canal itself is but one of myriad miracles.

Witness a daredevil dance with gravity as he dives from an Acapulco cliff and gain a newfound respect for pushing the bounds.

This voyage gets off to a dramatic start with a fascinating transit of the Panama Canal, where one mile equals a hundred stories. Then on to explore Central America, from Costa Rica to Mexico.

Days 0–1 One day out of Ft. Lauderdale, our private island in the Bahamas, Half Moon Cay, presents you with a dubious dilemma: What to do first? Swimming with stingrays, snorkeling, riding horseback through the surf.

Days 2–4 Following two days at sea, visit Cartagena, once a bastion of the Spanish Main and boasting colonial architecture and the finest emeralds in the world.

Day 5 Marvel at the impossibility of the Panama Canal as your ship is lifted 85 feet from the Caribbean to Gatún Lake then gently lowered to the Pacific, using no power other than the force of gravity. Truly one of life's great travel thrills.

CULTURAL TASTES

Our menus mirror the itinerary, featuring regional specialties such as mango chicken, ceviche, empanadas and undeniably delicious *tres leches* cake.

Days 6–7 Puerto Caldera is your jumping-off point for Costa Rican wonders. Delight as brilliant blue morpho butterflies flit about you in the rain forest; visit Poas Volcano before it blows again.

Day 8 Next, Nicaragua, Central America's new travel phenomenon. Banana plantations, Mayan ruins, colonial León are all here. So is the world-famous Flor de Caña rum distillery.

Day 9 Modernity meets Maya in Puerto Quetzal, where weavers spin their brilliantly colored stories on backstrap looms while the harbor handles Panamax-sized cargo vessels.

Days 10–15 Glorious days at sea, punctuated by visits to Acapulco and Cabo San Lucas en route to San Diego.

FIRE & ICE

SOUTH AMERICA & ANTARCTICA

WONDERS, FROM RED-HOT TANGO TO ICE-BLUE GLACIERS

High in the Andes, an ancient melody played on a flute melts away time. In a jungle tucked between Brazil and Argentina, the thunder and power of Iguazú Falls reverberates under your feet. And at 60 degrees south, the ice kingdom of Antarctica greets you with a pristine beauty and primal innocence you'll find nowhere else on earth. South America and Antarctica are continents of constant wonder, and Holland America Line is uniquely qualified to guide you through their

fascinating histories and timeless landscapes on itineraries ranging from 16 to 36 days. Awaiting your arrival: the ancient ruins of Machu Picchu, obscured for centuries in the Andean heights; the coolly spectacular Chilean Fjords lined with ice-blue glaciers; sparkling Patagonian lakes set like jewels into towering granite mountains; sizzling Latin cities where you may surrender yourself to the sensuous rhythms of samba and tango; and Antarctica, a world apart.

Cross all culinary boundaries, savoring everything from Inca-influenced potatoes and Peruvian quinoa to lamb and beef from the plains of Chile and Argentina.

The region's vibrant colors are unmistakable, as are its ubiquitous bowler hats which, curiously enough, originated from England in the late 1800s.

South America's cities are brushed in a palette of colors seen nowhere else in the world; its modern buildings towering over a fascinating landscape blanketed in history.

Day 6 From Punta Arenas, gateway to the famous jagged spires of Patagonia's Torres del Paine National Park, follow in Darwin's wake, sailing the wildlife-rich Beagle and Cockburn channels.

Days 7–8 The first chunks of ice in Glacier Alley herald majesty to come... Italia Glacier, ice blue

Days 13–14 A full day and night in Buenos Aires, and the options are many: a fiery tango show, the pampas, a scenic river cruise.

Get ready for the cruise of a lifetime: two continents, two vastly different experiences. South America with its winding fjords and rolling pampas, Incan empires and energetic Latin cities. And Antarctica with its utterly stunning icescapes and wildlife.

Days 0–1 An overnight stay in Buenos Aires gives you time to explore this fashionable city. Tango in the city where it was born? Not to be missed.

Day 2 Everyone in Montevideo, it seems, has a gourd of yerba mate tea in hand. Follow their lead, or journey to a boutique winery ripe with this year's release.

Days 3–6 From Puerto Madryn encounter the world's largest colony of Magellanic penguins, coming within feet of nesting couples and their fluffy, fledgling chicks. More penguin sightings—gentoo, rockhopper, king—are possible in the Falkland Islands.

Days 7–12 The next five days will be forever with you as you explore the otherworldly realm of the

Antarctic Peninsula. Now you will see what few people ever see: colossal floating icebergs (some glowing so eerily blue they seem to be lit from within), thousands of penguins waddling to the sea, seals riding ice floes right beneath your verandah.

Days 13–21 Leaving the ice kingdom of Antarctica, you enter the lush, mountainous fjords and channels of the Beagle Channel, the Strait of Magellan and the Chilean Fjords that lace Chile's southern coast.

Day 22 Disembark in Valparaíso with a log of the cruise and memory cards brimming with evidence of your explorations.

EXPEDITION TEAM

Traveling with you: a team of scientists and wildlife experts who will provide a running commentary and present lectures on all things Antarctica.

RESEARCHERS

Scientists from the U.S. Biological Research Center at Palmer Station will come on board to tell of their work here at the bottom of the world.

WILDLIFE

Check the aft white board for daily wildlife sightings: leopard seal, 12–15 orca, 200-plus crabeater seals with pups, Adeline penguins, brown skua...

RARE LANDING

From Punta Arenas, fly back to Antarctica, landing at the Chilean research base to visit with the scientists and see penguins by the thousands.

INCAN EMPIRES

Above the Sacred Valley, atop the ancient peak, Machu Picchu keeps vigil over the storied waters and verdant lands you are now exploring.

WONDERS OF THE AMERICAS

Magnificent cathedrals, built on the riches of silver and burnished with years of devotion. Monolithic Mayan temples, rising from jungle tangle, rooted in ancient wisdom and ritual. Rain forests aflutter with iridescent blue morpho butterflies, more essence than insect. Mist-veiled Machu Picchu, still guarding its enduring secrets.

Such are the wonders of the Americas—Mexico, Central and South America—woven into a travel tapestry rich in depth and color by Holland America Line.

MARVELING AT MACHU PICCHU

At the heart of this extraordinary itinerary is one of life's great travel thrills: Machu Picchu, mysterious mountaintop citadel of the Inca, made possible with an extended stay in Callao (Lima). Ascend the great stone terraces, imagining the thriving empire that once teemed with activity, when crowds garbed in alpaca and vicuña thronged the streets and envoys borne on litters swept the streets for Pachacuti, the greatest Inca emperor of them all.

AMAZON & CARNAVAL EXPLORER

Which is more stunning, the sunrises or the sunsets? Given the majesty of both, it's understandably impossible for you to decide.

SAMBA WARM UP

While you warm up on the sunny, sultry islands of the Caribbean, notably the ABC islands—Aruba, Bonaire and Curaçao—samba teams are turning on the heat, rehearsing their sensuous routines until Carnaval finds them in the streets of Rio de Janeiro, wearing little more than a smile, competing for the title of *primeiro grupo* of the Samba Parade. Holland America Line is thrilled to immerse you in the spectacle of it all, serving as your five-star hotel, complete with samba lessons.

JUNGLE CRUISE

Imagine lunching alfresco on your verandah as Holland America Line carries you 1,000 miles into the heart of the Brazilian rain forest on the biggest, most spellbinding river of all: the Amazon. Wonders unfold at every bend: shaman villages; markets filled with tropical fruit; the astonishing “meeting of the waters,” where two rivers, one dark, one light, run parallel to each other for miles without blending. No less amazing is the ornate pink and white opera house, Teatro Amazonas, brought piece by piece upriver from Europe, where the operatic tenor voice of Caruso still echoes through the jungle night.

VOYAGE OF THE VIKINGS

What brought you here also happens to be why the ancestors of this region, the Vikings, left here: a thirst for adventure.

TALES OF THE NORSEMEN

Pirates, pillagers, raiders, marauders: The Vikings were all of that as they left their indelible mark on Europe during the Age of the Vikings (AD 793–1066). Yet some merely sought a new life in lands as far-reaching as Iceland, Greenland and Newfoundland. Hear their legendary story as Holland America Line traces the path of notorious Norsemen such as Erik the Red as they made their way across the North Atlantic in wooden longships.

FROM BOSTON AND BACK

Surprising evidence of Viking exploration is everywhere. In Iceland, visit the oldest parliament in the world, formed by the Vikings in AD 930; ride a purebred descendant of horses brought here by... the Vikings. Cruising Norway's majestic Hardangerfjord, you'll wonder why they left their homelands in the first place.

An overnight in Rotterdam is pivotal as you conclude your 19-day cruise here, or continue for another 19 days, beginning with explorations in Ireland, England and Scotland's pastoral Isle of Skye—all targets for marauding Vikings. Looping back to Boston with new views of the North Atlantic, visit Newfoundland, where explorer Leif Eriksson founded the first Norse settlement. Home at last.

SOUTH PACIFIC EXPLORER

Sydney Harbour, with its iconic Opera House and famous bridge, welcomes you to a continent brimming with delights both Aboriginal and modern.

LANDS DOWN UNDER

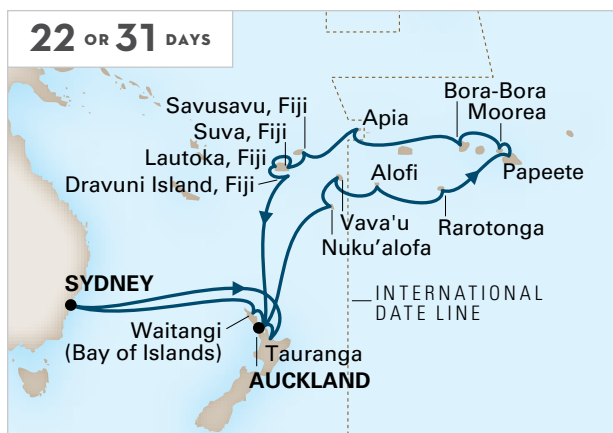

Tonga, Samoa, Fiji, Tahiti and tiny, undiscovered Niue: Their very names are synonymous with paradise, promising easy island days with “nothing to do,” wrote Robert Louis Stevenson, “but sit in the sun and pick up the fruits as they fall.” Knowing that perhaps you could use a vacation, a true escape from daily routine, Holland America Line has gathered these intriguing island groups, along with New Zealand’s idyllic Bay of Islands, and wrapped them in a carefree 31-day voyage that showcases their unique cultures.

TROPICAL BLISS

In Samoa join a village chief for a *kava* ceremony in a thatched hut on the beach. Wrap on a *pareo* and abandon yourself to an idyllic *motu* off Bora-Bora. In Fiji marvel at the impossibility of firewalkers’ mysterious power over flame. And in New Zealand’s Bay of Islands, paddle a Māori war canoe down a lazy river. At either end of your cruise, Holland America Line invites you to stay a while in sporty, cosmopolitan Sydney or Auckland with a pre- or post-cruise vacation.

Your Holland America Line cruise is the perfect frame to the work of art that is Australia and its nearby islands and fellow countries.

IMMENSE AND EXOTIC

This is it, the definitive Australia experience: 32 illuminating days of discovery covering 16 fascinating ports of call and every key region on the continent. What will you see? Amazing things. From the sunburned Outback and monolithic Uluru (Ayers Rock), inspiration for Aboriginal “Dreamings,” to the vineyards of Perth’s lush Swan Valley. Meet fairy penguins and koalas and crocodiles, even Komodo dragons as Holland America Line swings up to Indonesia to answer temple bells in Bali.

REEF ENCOUNTER

Not many are permitted to cruise through the pristine ecosystem of the Great Barrier Reef, only those who have demonstrated a high regard for the oceans of the world, as has Holland America Line, in partnership with the Marine Conservation Institute. Highlights of your three days here: cruising marine-rich “ribbons” of coral in the Ribbon Reefs area, where you may encounter the wonder of a giant clam garden and clouds of flashy fish. During an overnight anchorage off Sherrard Island watch as the colors of the continent gather into a stunning sunset.

🌴 The Great Barrier Reef Experience. Exact itinerary at the Great Barrier Reef will depend on weather conditions, permissions and time available. There are no landings on Sherrard Island. If you require separate beds, we suggest that you pre-purchase an additional room before the start of your cruise. Special requests such as smoking, king or double beds, etc., are at the discretion of the hotel and cannot be guaranteed. Guests are responsible for incidentals and meals unless noted otherwise.

TERMS AND CONDITIONS

GOVERNMENT-ISSUED IDENTIFICATION

For security reasons, first and last names on an air booking must match the government-issued identification used for boarding. For guests with Holland America Line's Flight Ease® plan, spelling corrections or name changes may result in a higher air rate, loss of space and/or change fees. Visit [tsa.gov](https://www.tsa.gov) for more details.

SPECIAL REQUESTS

Please contact each airline directly to request meals, oxygen, wheelchair or other airport assistance. Guests traveling with other guests who originate from different cities or who request Flight Ease at different times may not be offered routings on the same flights due to airline schedules and/or availability.

SEAT ASSIGNMENTS

Seat assignments are controlled by the airlines but may be requested for most flights in the Flight Ease system subject to availability of the airline's reservation system at the time of booking. Seat assignments are not guaranteed, and the airlines may change seat assignments. Some airlines charge additional fees for seat assignments. Any fees related to seat assignments are collected by the airlines directly. Guests without seat assignments prior to the flight date will have seats assigned by the airline at check-in on the date of travel.

AIR SCHEDULE CHANGES

Airline bookings are subject to flight schedule changes by the airlines. Schedule changes can occur at any time and may affect your flights. Holland America Line is not responsible for airline schedule changes. Holland America Line will try to assist guests affected by airline schedule changes so that flights booked will meet ship embarkation and disembarkation requirements. Any associated costs related to or caused by an airline schedule change are the responsibility of the guest. Changes initiated by guests to flight schedules are subject to any applicable additional costs and fees and may require the cancellation and rebooking of flights at available rates and spaces.

AIR RATES/AIR TAXES/FEES

Air rates will be quoted at the time of booking. Air rates are for e-tickets, per person and include all flight taxes and fees. Other charges may be directly assessed by airlines or airports and are the responsibility of the guest. Once you have booked your flight, please check the airline's website or contact it directly for information regarding baggage fees and other charges. We assume no responsibility for loss, damage or delay while baggage is in the custody of airlines.

LIABILITY AND RELATION WITH AIRLINES

As the air rates we offer are based on capacity-controlled, promotional and group fares, we may limit or close sales without prior notice at any time. If, due to any cause beyond our control, the air travel is unavailable or otherwise fails to materialize, our liability will be limited to refunding the air price paid to us. We assume no liability for any acts or omissions of any airline, including, without limitation, those involving cancellation of flights, schedule changes, re-routings, damage to or delay or loss of baggage, flight delays, equipment failures, accidents, pilot or other staff shortages, overbooking or computer errors. The liabilities and obligations of an airline to you, and your rights against an airline, are subject to any and all terms and conditions of the airline's ticket and tariffs.

AIR CHANGES/REFUNDS

Prices and availability are not guaranteed until the cruise and air booking are paid in full. Cancelling your cruise/Land+Sea Journey booking for any reason will cancel any air bookings associated with the cruise/Land+Sea Journey booking, and fees will be applied if applicable.

FLEXIBLE FARES: No fees will be charged for changes and cancellations made prior to the cruise final payment due date. Changes to the booking after the cruise final payment due date may require cancellation and rebooking of flights. The original schedule and airfare may no longer be available, and a new reservation may need to be created at the current available price. If the current available price exceeds the original airfare, the guest must pay the additional charge. Cancellations after the cruise final payment due date will incur a fee up to the full cost of the ticket, per ticket. Tickets are nontransferable. In some instances, name changes will not be permitted and will require cancellation and rebooking of flights. Prices are subject to increase prior to the time you make full payment for your air-inclusive cruise or Land+Sea Journey. Prices are not subject to increase after you make full payment except for charges resulting from increases in government-imposed taxes or fees. Payment is required by the cruise final payment date or at time of booking if created after the cruise final payment date.

RESTRICTED FARES: Full payment for air reservation is required at the time of air booking. Tickets are nonrefundable. Tickets are nontransferable, and name changes are not allowed. Any changes will result in the

cancellation of the air booking. Cancellation of Restricted Air will incur cancellation fees of the full cost of the ticket. The airline may generate a Future Air Credit (FAC) memo in an amount the airline determines. FACs are notations in the booking that show the guest has an outstanding credit with the airline which can be applied to a future Holland America Line air booking with the same airline or redeemed directly with the airline, typically within 365 days. FACs are nontransferable and nonrefundable. FACs only apply to U.S. resident bookings and are not available to guests who have requested refunds under the Holland America Line Cancellation Protection Plan.

OVERNIGHT HOTEL ACCOMMODATIONS

It may be necessary for guests to overnight en route to or from their cruise due to airline schedules and/or availability. Holland America Line offers hotel packages which include taxes, bellman gratuities, and airport/hotel/ship transfers where applicable. The cost of hotel accommodations is not included in the air price. Guests are responsible for hotel accommodations, meals, and items of a personal nature.

TRANSFERS

Transfers may be purchased between select major airports and the ship on day of embarkation and disembarkation only. Transfers are available to Flight Ease guests and to guests who have independent flight plans.

Guests with independent flight arrangements who wish to purchase transfers must advise Holland America Line of their flight information at least 14 days prior to departure by completing online check-in. Unused transfers are not refundable.

Transfers are available for purchase between select cities such as Amsterdam/Rotterdam, Ft. Lauderdale/Miami and Seattle/Vancouver connecting to and from Holland America Line ships. Transfers between select city center locations and Holland America Line ships may be available in Barcelona, London, Rome and Sydney.

CRUISE-ONLY GUESTS

We recommend that you schedule a minimum of 3–5 hours both at the beginning and end of your cruise to allow for transfers, customs clearance and airport security checks.

Note: If you purchase air transportation independently from Holland America Line, you will be responsible for any and all expenses incurred when joining the vessel in progress.

YOUR PROTECTION WORLDWIDE

Unforeseen events do happen. When you book your next cruise, be sure to ask about our Cancellation Protection Plans to help protect your cruise investment.

OUR STANDARD AND PLATINUM CANCELLATION PLANS AT A GLANCE

CPP STANDARD

Provided by Holland America Line

Our Standard Cancellation Protection Plan (CPP Standard) will allow you, for any reason, to provide written cancellation up to 24 hours prior to the start of your scheduled travel (sea, land and/or air) arrangements made by Holland America Line and receive a refund equal to 80% of the eligible amounts paid. CPP Standard is available to all guests, regardless of residency.

In addition, Holland America Line (HAL) assumes an additional us\$500 liability for lost, damaged or delayed baggage for guests who purchase CPP Standard, still subject, however to the limitations in our baggage policies. For example, we do not cover losses while baggage is in the custody of airlines. The baggage policies of HAL are explained in detail on page 223 in this brochure.

Please note: The CPP Standard Plan is not insurance—this is an optional purchase offered by and administered by Holland America Line. It may be added to your reservation to provide you with trip cancellation protection for up to 24 hours prior to the start of your scheduled travel. It provides no rights other than those explained above. For example, it does not protect double-triple-quad occupancy rates should one or more members of your party cancel, nor does it cover expenses for unused services due to trip interruption.

The CPP Standard Plan is available for purchase prior to the date on which cancellation fees begin to accrue. Payment is due at time of purchase. The cost of CPP Standard is non-refundable. The per-person, per-cruise cost is listed with the cruise fares. To add our Cancellation Protection Standard Plan to your new or existing bookings, please call us at 1-877-932-4259.

CPP FREQUENTLY ASKED QUESTIONS

Why do I need CPP Platinum?

CPP Platinum can protect your cruise investment in the event of unexpected occurrences that may affect your travel plans. You may also need this coverage to supplement your existing insurance policies while traveling. Some medical policies, like Medicare, may not provide coverage for medical expenses incurred outside of the United States.

If something comes up and I have to cancel for any reason, am I protected?

Absolutely. You can cancel for any reason whatsoever by providing written cancellation notice up to 24 hours prior to the start of your scheduled travel (sea, land and/or air) arrangements made by Holland America Line with CPP Standard (right up to the start of your scheduled travel with CPP Platinum). What's more, you'll get a refund. Other programs may not refund cancellation fees if the reason for cancellation is not a "covered" claim.

Are my airfare and pre- and post-packages covered as well?

Yes. If you purchased Holland America Line's Flight Ease® Plan and/or our pre-/post-packages, you'll get 80% of your air and package cancellation fees refunded when canceling up to 24 hours prior to the start of your scheduled travel (90% with CPP Platinum when canceling right up to the start of your scheduled travel). Any Future Air Credit generated by the airline will be owned solely by Holland America Line and cannot be redeemed.

If an emergency occurs during our trip, will I be able to see a doctor who speaks English?

If you have chosen CPP Platinum, you'll have access to a 24-hour emergency assistance hotline whose staff will refer you to qualified local doctors who speak your language.

I have a history of back trouble. What if my back goes out on the trip and we have to cut it short?

There is no exclusion under the Platinum Plan for pre-existing conditions that cause a trip interruption.

Does CPP Platinum cover me if I am injured on shore?

Absolutely! You'll be reimbursed up to us\$10,000 for covered emergency medical, surgical and dental care should you become sick or are accidentally injured while traveling.

Help with medical expenses if you become sick or injured while traveling

*Above us\$9,000, the Standard Plan cost is an additional us\$30 and the Platinum Plan is an additional us\$60, for each us\$500 of fare or fraction of us\$500. Rates are per person based upon each guest's share of the total cruise fare (including Alaska Journey Supplement) paid. Rates are subject to change.

Fares and plan costs at right are in U.S. currency.

The Standard and Platinum Cancellation Protection plans are optional and are available for purchase prior to the date on which cancellation fees begin to accrue. See page 226 for further information about our Cancellation Policy. Payment for either plan is due at time of purchase. The cost of CPP Standard, and the cost for the cancellation portion of CPP Platinum, is non-refundable. CPP Standard is in effect for cancellations for any reason up to 24 hours prior to the start of your scheduled travel. CPP Standard is not insurance — this is an optional purchase offered by Holland America Line that may be added to your reservation to provide you with trip cancellation protection for up to 24 hours prior to the start of your scheduled travel.

Note that the benefits and services provided in CPP Platinum are available only to guests who enroll in and pay the appropriate program cost to Holland America Line. Payment of the required cruise deposit does not automatically activate enrollment in CPP Platinum Protection. In order to activate enrollment, you must pay the appropriate program costs *in addition* to the required cruise deposit amount.

Important: This is only a brief description of the program. A summary of the terms, conditions and exclusions will be sent to you or your travel professional and may also be found on and printed from hollandamerica.com. The CPP

Platinum Plan is in effect for cancellations for any reason up to the start of your scheduled travel. Other benefits and services provided in CPP Platinum are effective once you depart on your trip.

The CPP Platinum Plan is optional and available for purchase prior to the date on which cancellation fees begin to accrue. Payment is due at time of purchase. The cost of the cancellation portion of CPP Platinum is non-refundable. The per-person, per-cruise cost is listed with the cruise fares. To add our Cancellation Protection Platinum Plan to your new or existing bookings, please call us at 1-877-932-4259.

DETAILS, DETAILS

RESERVATIONS

Travel agencies provide valuable service and counseling to prospective travelers. We encourage you to make your Holland America Line reservations with a travel professional. Travel agencies are not owned or controlled by Holland America Line. Your deposits and payments for Holland America Line's services are to be paid to the travel agency with which you made your reservations. Since accommodations are limited by the number of staterooms on each ship, reservations should be made as early as possible. Travel documents will be issued only if and when full payment has been received by Holland America Line from the travel agency. Refunds for canceled or unused services will normally be made to the same travel agency on the basis of the amount actually received by Holland America Line less any applicable cancellation fees and charges. You are responsible for obtaining from your travel agency monies either retained by the agency or received by the agency from Holland America Line. For further information, visit our website at hollandamerica.com or call 1-877-SAIL HAL.

DEPOSIT AND FINAL PAYMENT REQUIREMENTS

A deposit is required at the time of cruise booking. Cancellation Protection Plan (CPP) is optional and, if desired, must be purchased prior to the date on which cancellation fees begin to accrue; see Cancellation Protection Plans on pages 196-198 for details.

Final payment is due 75 days prior to departure for Alaska, Bermuda, Caribbean, Canada & New England, Europe (excluding *ms Prinsendam*, 30+day Transatlantic voyages, and any segment of a 30+day Transatlantic), Mexican Riviera, Panama Canal, and 16- to 18-day Hawaii voyages. Final payment is due 90 days prior to departure for all other voyages, including Holiday sailings.

Travel advisors should make checks payable and send to:

Holland America Line N.Y.
Attn: Cash Applications
300 Elliott Avenue West
Seattle, WA 98119
U.S.A.

Payment by Holland America Line Rewards VISA®, MasterCard®, American Express®, VISA® or Discover® card is also accepted.

For faster processing, please include a confirmation number on your check. Travel professionals please note that MCOs will not be accepted.

UPGRADE POLICY

Holland America Line reserves the right to upgrade a guest or guests to more expensive category accommodations at no additional cost.

CHANGE CHARGES

To cover administrative costs, a per-person charge will be made if you request a change in your travel arrangements after the final payment due date. Change charges are not assessed for stateroom upgrades or for the

addition of services unless air reservations are altered and/or travel documents must be reissued.

CANCELLATION POLICY

Refunds (except for amounts paid for CPP) will be made in accordance with the following Cancellation Policy for written cancellations received prior to the date on which you are to commence travel by air, rail, sea or otherwise. Submit written cancellations to Holland America Line, 300 Elliott Avenue West, Seattle, WA 98119, or Hal.Reservations@HollandAmerica.com. Cancellation fees apply to the entire cruise booking, including cruise fare, air add-ons, ground transfers, pre-cruise and post-cruise hotel and tour packages. Guests who cancel within the dates shown below for any reason, including medical or family reasons, are subject to the following per-person cancellation fees:

GRAND VOYAGES (INCLUDING SEGMENTS); 28+ DAY HAWAII, TAHITI & MARQUESAS (INCLUDING SEGMENTS); INCAN EMPIRES; AMAZON EXPLORER; 30+ DAY EUROPE TRANSATLANTIC OR ANY SEGMENT OF A 30+ DAY EUROPE TRANSATLANTIC
120-91 days before commencing travel: an amount equal to deposit requirement;
90-76 days before commencing travel: 60% of gross fare;
75 days or less before commencing travel: 100% of gross fare.

AUSTRALIA, NEW ZEALAND & SOUTH PACIFIC; ASIA; ms PRINSENDAM EUROPE; SOUTH AMERICA & ANTARCTICA; ALL HOLIDAY VOYAGES
90-64 days before commencing travel: an amount equal to deposit requirement;
63-43 days before commencing travel: 50% of gross fare;
42-22 days before commencing travel: 75% of gross fare;
21 days or less before commencing travel: 100% of gross fare.

ALL OTHER VOYAGES

75-57 days before commencing travel: an amount equal to deposit requirement;
56-29 days before commencing travel: 50% of gross fare;
28-16 days before commencing travel: 75% of gross fare;
15 days or less before commencing travel: 100% of gross fare.

If you have purchased a specially priced promotion that is 100% non-refundable from the point of payment, you are not entitled to any refund, payment, compensation or credit whatsoever of your gross fare if you cancel your booking.

Given that the resale of canceled space will likely result in a lost opportunity to sell other space, these fees are due regardless of resale. Fees incurred as a result of cancellation cannot be applied to future bookings. Refunds will normally be made to your travel professional. Travel professionals may impose their own cancellation fees. Agency fees of any nature are a matter to be

decided on solely by the agency and guests. Name changes require the prior approval of Holland America Line and may not always be possible. Cruise contracts are nontransferable. Name changes and departure date changes are considered reservation cancellations and are subject to cancellation fees.

CRUISE FARES

Traveling with Holland America Line is one of the best vacation values around. Your cruise fare includes accommodations aboard an elegant Holland America Line cruise ship, most meals and entertainment on board ship. Not included are items of a personal nature or optional programs or optional activities such as alcoholic beverages; soft drinks; laundry and dry cleaning; Journeys Ashore™; and medical, barber and beauty shop services. All fares are per person based on double occupancy in U.S. dollars.

HOTEL SERVICE CHARGE

Our crew works very hard to make sure that every aspect of your cruise meets the highest standards. This includes those crew members who serve you directly, such as dining room wait staff and the stewards who service your stateroom each day. There are also many others who support their efforts whom you may never meet, such as galley and laundry staff. To ensure that the efforts of all of our crew members are recognized and rewarded, a daily Hotel Service Charge is automatically added to each guest's shipboard account. The daily Hotel Service Charge for suites is US\$13.50 per guest per day, and US\$12.50 per guest per day for other staterooms. (The charges are subject to change without notice.) If our service exceeds or fails to meet your expectations, you are free to adjust this amount at the end of the cruise. The Hotel Service Charge is paid to Holland America Line crew members and represents an important part of their compensation. A 15% service charge is automatically added to bar charges and dining room wine purchases.

In terminals, airports, ports of call and on shore excursions, we suggest that you extend gratuities consistent with customary local practices.

FARES, TAXES, FEES & PORT EXPENSES

Holland America Line reserves the right not to honor any published prices that it determines were erroneous due to printing, electronic or clerical error. Fares quoted in this brochure are those in effect at the time of printing. If cost factors dictate the need for fare increases, Holland America Line may do so at any time prior to departure. Guests can cancel (without paying a cancellation fee) rather than accept a fare increase. This right does not apply to increases in Taxes, Fees & Port Expenses as described below. In addition to your Cruise or Land+Sea Journey fare, you will also be charged an amount for Taxes, Fees & Port Expenses.

Taxes, Fees & Port Expenses, as used by us, may include any and all fees, charges, tolls and taxes imposed by U.S. and/or foreign governmental or quasigovernmental

authorities including but not limited to U.S. Customs fees, head taxes, Panama Canal tolls, dockage fees, wharfage fees, inspection fees, pilotage, air taxes, hotel or VAT taxes incurred as part of a land tour, immigration and naturalization fees, and Internal Revenue Service fees, whether assessed on a per-passenger, per-berth, per-ton or per-vessel basis. In the case of per-ton or per-vessel assessments, those assessments will be spread over the passenger capacity of the ship. Taxes, Fees & Port Expenses are subject to change, and we reserve the right to collect any increases in effect at the time of sailing even if the fare has already been paid in full. Similarly, Holland America Line reserves the right to impose or pass through fuel surcharges, security surcharges or similar incidental surcharges. No right of cancellation exists under either of these circumstances.

Holland America Line reserves the right to reinstate the fuel supplement for all guests up to US\$9 per person per day if the price of light sweet crude on the New York Mercantile Exchange (NYMEX) exceeds US\$70 per barrel. Please consult our website for current information.

GUESTS WITH DISABILITIES

We do not discriminate against persons on the basis of disability. We seek, to the extent feasible, to accommodate the needs of persons with disabilities. We have a limited number of staterooms designed for wheelchair access. Service animals are permitted on board ships if prior arrangements have been made. Certain land and shore facilities may not be fully accessible to persons with disabilities. While Holland America Line endeavors to contract with companies which provide accessible services and facilities, we cannot guarantee that all services and facilities will be fully accessible. In limited situations where an individual with a disability would be unable to satisfy certain specified safety and other criteria, even when provided with appropriate auxiliary aids and services, we may find it necessary to ask the individual to make alternative travel arrangements. We must be notified of any special medical, physical or other requirements of guests at the time of booking. Due to high demand for wheelchair assistance in some ports, we recommend that you bring your own wheelchair in order to avoid waiting times at (dis)embarkation. Please contact our Access and Compliance Department via email at halw.access@hollandamerica.com. Additional information regarding accessibility on board may be found in the Accessible Cruising section of our website at hollandamerica.com.

MEDICAL SERVICES

Each of our ships is equipped with limited medical facilities that are staffed by a physician and registered nurses. The physician is an independent contractor. There will be a fee charged for all medical services and medications obtained on board. If you become ill during the cruise and the physician is unable to care for your needs on board, you will be transferred to medical facilities on

shore. If your condition will require that you have special medical apparatus or assistance on board, we must be made aware of that at time of booking in order to determine whether we can accommodate your needs. If you are using prescription drugs, please bring an adequate supply with you and keep them in your carry-on luggage.

MINORS AS GUESTS/PREGNANCY POLICY

Guests under 21 years of age must be accompanied by a parent, guardian or chaperone who is at least 21 years old; one adult chaperone is required for every five people under age 21. We will not accept reservations for infants under six months of age for non-transocean sailings or under 12 months of age for transocean sailings at the time cruise commences.

Reservations will not be accepted for women who will be 24 or more weeks pregnant at the time their cruise with Holland America Line concludes.

PASSPORTS/VISAS/IMMUNIZATIONS

You are responsible for securing proper documentation for the countries visited on your cruise or land tour. Boarding may be denied or fines may be levied against those guests without proper documentation. Payment of any fines levied is the responsibility of the individual guest. We strongly recommend carrying a passport that is valid for at least six months beyond the completion date of your travel. Information on passports and approved documents for U.S. citizens may be found at travel.state.gov. Non-U.S. citizens who have previously been admitted to the United States for permanent residence must carry their Permanent Resident Card (Form I-551), commonly known as a Green Card. In addition, certain countries may require entry visas. Information on visas may be obtained by contacting VisaCentral at hollandamerica.visacentral.com/.

Please note that some countries have special requirements for minors (under age 18) who are not traveling with both parents. Please discuss this with your travel professional.

Furthermore, visiting certain countries may require that you be inoculated prior to leaving the U.S. Please check with a travel medicine specialist or local health department for specific recommendations and/or requirements.

BAGGAGE POLICY

Holland America Line will carry as baggage only your personal effects for your wearing, comfort or convenience during your travel with Holland America Line. Your baggage needs to be placed in securely constructed and locked suitcases or trunks. If your travel includes a land component, you are limited to two pieces of checked baggage and one overnight or light flight bag which must remain in your custody at all times.

Holland America Line does not assume any liability for loss of or damage to or delay of perishable items, medicine, liquor, cash, credit or debit cards, jewelry, gold, silver or similar valuables, securities, financial instruments, records or other valuable or

business documents, computers, cellular telephones, cameras, hearing aids, electric wheelchairs, scooters, or other video or other electronic equipment, binoculars, film, videotape, computer disks, audio disks, tapes or DVDs/CDs. These items should not be left lying about the ship or your stateroom, nor should they be left unattended on other vessels, railcars or other vehicles or in hotels, nor placed in luggage other than the bag you carry with you. In addition, Holland America Line will not assume any liability for any loss of or damage to carry-on baggage left unattended on the ship or on other modes of transportation or in hotels. Holland America Line's ships provide, at no extra charge, either safe-deposit boxes in the ship's Front Office or stateroom safes. Certain hotels may also provide similar facilities. Your use of safe-deposit boxes, stateroom safes or similar facilities will not increase Holland America Line's liability as described below.

Holland America Line cannot be responsible for any loss, delay or damage that occurs before baggage comes into Holland America Line's actual custody when you begin your travel with us or after baggage leaves Holland America Line's actual custody at the end of your travel with us. In particular, please note that we assume no responsibility for loss, damage or delay while baggage is in the custody of airlines.

If Holland America Line, due to any cause whatsoever, is liable for loss of, damage to or delay of your property, the amount of Holland America Line's liability will not exceed US\$100 (US\$600 for guests who have purchased the Standard Cancellation Protection Plan) unless you have specified to Holland America Line in writing the true value of your property and paid to Holland America Line before departure 1% of the value in excess of US\$100 or US\$600, as appropriate. In that event, Holland America Line's liability will be limited to the amount specified.
