WELCOME TO *THE EXTRAORDINARY* WORLDS OF SEABOURN

There are many worlds to Seabourn.

There's the world of ultra-luxury - where space is generous and crowds are few.

Where names and wine orders are remembered, preferences noted, and wishes granted before they are spoken.

And then there is the world of adventure - a game of hide and seek with the treasures of our planet.

Walking on the blue ice of the Antarctic.

Camel rides across Dubai.

Hidden ports, street markets, wine tasting, whale watching, every day a chance at another breathtaking moment.

No one else is as skilled at bringing these two worlds together. No one else navigates them so effortlessly.

Elegant adventure.

Luxury unbound.

Every voyage is a journey through the extraordinary worlds of Seabourn.

Tipping is neither required nor expected – service simply to delight you. Our award-winning staff is driven only by their sincere desire to please, and with a smile that comes from the heart.

DELIGHTFUL ALL-SUITE ACCOMMODATIONS

Intimate ships with no more than 300 suites. A Seabourn ship is like a private club, where members share expansive open decks, inviting social spaces, and the personalized attention of an exceptional crew.

Spacious all-suite accommodations with sweeping ocean views – most with verandas. Seabourn suites are thoughtfully appointed and inviting, designed as homes away from home with room to unwind or entertain.

Complimentary welcome Champagne and in-suite bar stocked with your preferences. Soft drinks, beer and mineral water, complete glassware and your favorite wines or spirits are ready for your enjoyment or for entertaining.

WORLD-CLASS DINING

Award-winning dining carefully prepared with the freshest quality ingredients, including seasonal specialties that are perfectly executed to order by Seabourn's skilled chefs. Dishes inspired by Michelin-starred Chef Thomas Keller further elevate Seabourn's cuisine, contributing to an unsurpassed dining experience unlike any other at sea.

All dining venues are complimentary – dine where, when and with whom you wish. From casual to elegant, indoors, al fresco or in your suite, a range of choices invites you to be spontaneous.

Open bars throughout the ship, and fine wines poured at lunch and dinner. Meet and mingle with fellow guests in a carefree atmosphere, where no one has to pick up the tab.

EXCEPTIONAL DESTINATIONS

Unique itineraries to must-see cities and hidden gems where larger ships cannot go. Each cruise is a hand-picked collection of fascinating places, and each day brings a new opportunity for authentic discovery – another chance to explore your world in a personal and meaningful way.

EXTRAORDINARY PLACES

Every morning of the year, the windows of Seabourn's spacious suites reveal the world's most breathtaking scenery. Slender Venetian campanili, a majestic range of snowy Antarctic peaks, shining glass towers lining Hong Kong's teeming harbor, or the jumble of pastel villas on Portofino's steep slopes.

Our gangway is the portal between the world of luxury on board and adventures awaiting on shore. Discover long-lost Angkor Wat wrapped in tropical jungle, walk the Vatican's soaring, gilded vaults, or hike stately old-growth firs in Alaska's virgin forests. Taste Cabernets in Bordeaux and Gravlax in Bergen. Visit UNESCO World

Heritage Sites from Patagonia to St. Petersburg. Attend unforgettable events like a private concert ashore in ancient Ephesus, or the splendor of Balinese temple dancers on board. All seven continents are at your doorstep on a Seabourn voyage.

SEABOURN ODYSSEY

EXCEPTIONAL *STYLE*

The sleek profiles of Seabourn's intimate, award-winning ships reflect their lineage from the world's most luxurious yachts. They are dazzlingly modern thoroughbreds, combining nimble power and smooth grace with a generous array of beautifully designed spaces, furnishings and amenities.

Seabourn's ships combine the intimate scale required to access smaller ports with exceptional ratios of space per guest. Inside, they are stunningly beautiful, but also superbly user-friendly, designed to encourage relaxed sociability. Decks are intuitively arranged, and nothing is ever very far away. No more than 300 spacious suites grace each ship. All boast panoramic views, and most open onto private verandas. Artfully designed, suites feature

separate sitting and sleeping areas, marble bathrooms and thoughtful details that make them luxurious vacation homes. Other onboard features include a world-class spa and gym facility, a variety of indoor and outdoor dining venues, a number of inviting lounges and bars, relaxing pools, broad teak decks with areas for sun and shade, and a unique retractable watersports Marina.

THE SEABOURN *FLEET*

Seabourn's fleet of intimate, all-suite ships provides you an enviably elite address in the world's most desirable destinations. Their sleek, eye-catching lines attract attention in the best possible way. But their beauty, though striking, is much more than skin deep. Superbly engineered and masterfully crafted, they will carry you smoothly and nimbly to the heart of great cities, to exclusive yacht harbors and secluded coves where larger ships cannot follow.

Seabourn Ovation can slip into picturesque ports and hidden harbors. Yet she offers onboard features and amenities rivaling much larger vessels. Seabourn Ovation is everything you'd expect from the world's finest ultra-luxury cruise line™...and more.

WHERE YOU *BELONG*

Welcome to a world dedicated to your pleasure. Where a skilled staff anticipates your wishes, and fulfills them almost before they are spoken.

Where you engage with fascinating fellow travelers in a club-like atmosphere of relaxed, understated elegance.

Where you are free to explore the world on your own terms.

Welcome on board.

SERVICE YOU *CAN FEEL*

The touch of quality materials and the look of sophisticated design can both evoke luxury. But for many connoisseurs, the most pleasurable experience of luxury comes from being cheerfully and intuitively cared for by someone who is both skilled and passionate about what they do. We value that quality of sincere, heartfelt service above all in the professional staff on board our ships. We hand select people for whom caring is a calling. Gratuities are neither required nor expected by Seabourn's staff. Each guest receives the same thoughtful attention on every occasion. The result is an unmatched standard of service and a genuine hospitality that is Seabourn's hallmark.

PERFECTION IS SERVED

On Seabourn, every meal is your opportunity to celebrate the best life has to offer. Superbly crafted dishes, including a selection of masterful creations inspired by Chef Thomas Keller, delight your senses. One sumptuous dish after another is served in a variety of casual yet elegant venues that rival the best restaurants on land. Open seating makes every occasion special as you dine where, when and with whom you wish.

EXTRAORDINARY DINING *CELEBRATES* MANY WORLDS

The award-winning cuisine on board Seabourn's ships deliciously incorporates the world outside. Our skilled chefs augment their finest ingredients with herbs, spices and fresh seasonal specialties from ashore. Menus frequently reflect regional flavors, and port calls are enlivened with culinary festivals and tastings. Beautifully presented dishes are designed to satisfy a range of appetites from cautious to adventurous, and most

are cooked to your order. Choices in style vary from formal to al fresco dining poolside, or even private full-meal service in your suite or on your private veranda. Gracious dining is an important part of our hospitality, so there is never an extra charge for any dining alternative on board. An abundance of open seating in main venues and multiple options provide real choices and welcomes spontaneity.

On select cruises, we augment our onboard staff with a veteran expedition team of naturalists, scientists, photographers and other experts to enhance and broaden your destination experiences.

Onboard lectures, seminars and presentations by our team of experts add insights on regional wildlife, natural and cultural history, geography and other topics. If you prefer to simply ride instead of paddle, our expedition team can take you on a scenic Zodiac tour. These marvelous boats are great for scenic eye-level cruising in fjords, along rivers and towering glaciers.

SEABOURN'S *ALASKA*

Immense forces of nature buffer Alaska from outside influences. It is a world where ravens, eagles, bears and salmon still exercise eminent domain. Where a mile-long glacier shimmers under a timeless sky. Rustic villages dot the landscape, providing you a chance to experience a world – and a culture – largely untouched by time. Venture further into this vast wilderness by cruising Tracy Arm in a Zodiac or paddling a kayak past old-growth forest in Misty Fjords.

SEABOURN'S *EUROPE*

Europe is a world unto itself, where millions of threads color a fascinating tapestry of stories: A pagan myth carved in polished Aegean marble. The baroque tale of intrigues uncoiled in the gilded palaces of the North. A sunlit romance set among Jazz Age artists and bon vivants along the Riviera. Following these threads, you will weave their stories inextricably into your own. Come experience Europe's varied, many-splendored shores on an unforgettable Seabourn voyage.

MEDITERRANEAN

Step into a wondrous world adorned with a sapphire jewel at its center. For those along its shores, the sea remains the heart of it all, an irresistible magnet drawing every gaze. Glimpse it shining from a sunlit piazza high on the Amalfi Coast, or glittering through a filigree of pines along the rocky Cap d'Antibes. Explore the vibrant cities of Rome, Venice, Nice and Barcelona, richly layered in history and deeply rooted in the sea. Follow the winding corniches of Monte Carlo, stacked atop a harbor bristling with masts of elegant yachts. Above the beaches and brightly painted fishing boats along the Cote d'Azur and Costa del Sol, amphitheaters of whitewashed villas are all aligned to meet you as you arrive from the sea.

ADRIATIC & GREEK ISLES

Past worlds encroach upon the present in the Adriatic and Aegean as time blurs the lines between works of man and nature. A Greek temple's graceful silhouette stands like a geologic feature towering high above the sea. The steps of passing generations have polished the marble paving stones of Dubrovnik's Brsalje Street like the glassy waters of an endlessly flowing river. During our private concert at Ephesus, moonlight transforms the Roman amphitheater into a crater crafted by pagan gods. The shining white town of Thira, seen from your ship, appears as a cluster of crystals atop Santoríni's dizzying cliffs. This region also boasts timeless impressions to delight your senses. Bask in the warmth of the sun as you inhale the fragrance of wild oregano on a gentle summer breeze, and you are sure to find yourself completely immersed in those worlds of long ago.

NORTHERN EUROPE

The northern hemisphere's annual sunward tilt signals a celebration in Scandinavia's modern capitals and picturesque towns. Restaurants in Stockholm set tables on the sidewalks. At lunchtime, Danish workers bask on park benches, faces turned to the sun. It is a wonderful time to visit as parks and gardens in Oslo and Helsinki come to life with brilliant flowers and the sounds of children playing. In St. Petersburg, descend an elegant staircase between sparkling, gilded fountains at the extravagant riverside Summer Palace. Relax by the pool as your ship eases gracefully between towering granite cliffs in Norway's narrow Trollfjord. There's no lovelier season than a Scandinavian summer, and no better way to experience it than on board Seabourn.

SEABOURN'S *EXOTICS*

Far removed from your everyday, the fascinating worlds of your dreams await beyond the curve of the horizon. A shaded passageway in a spice-scented Arabian souk. The Taj Mahal's marble dome, glowing pink in the dawn. A massive golden Buddha, reclining in a crimson temple hazed with incense smoke. Verdant vineyards, awash in brilliant sun, unfurled across South Australian hillsides. Sailing on a Seabourn ship, you'll sleep well, and awake each day to find your dreams have come to life on the other side of your veranda.

HOLY LAND, ARABIA & INDIA

Herodotus, Marco Polo and Ibn Battuta extended the boundaries of their known world. You can still experience the worlds they recorded, along with wonders they never even imagined. Long-lost Petra rose and fell during the centuries between their journeys. The Bauhaus "White City" of Tel Aviv rose to stand majestically beside the sparkling Mediterranean long after their epic tales of exploration were written. Through the ages the humble pearl-fishing village on the Persian Gulf has transformed into modern Dubai, with its soaring glass skyscrapers and rich cultural heritage. Time has changed much of the world with technology and cyber trade, but you can still find markets where silks, sandalwood and spices are traded in colorful Mumbai and Cochin. At Agra, the timeless Taj Mahal returns your gaze across a tranquil pool, its reflection changed only by the passage of the sun.

PICTON, NEW ZEALAND

OPERA HOUSE, SYDNEY, AUSTRALIA

GREAT BARRIER REEF, AUSTRALIA

AUSTRALIA, NEW ZEALAND & SOUTH PACIFIC

We will sail Seabourn Encore under the stars of the Southern Cross for her maiden season. That constellation graces the flags of lands as warm and welcoming, as unique, spirited and stunningly beautiful as the ship herself. The multi-colored miracle of the Great Barrier Reef, the sun-swept splendor of Sydney Harbour and the soaring majesty of Milford Sound make fitting backdrops for Seabourn Encore's debut. Cultured, cosmopolitan Melbourne, Auckland and Wellington well suit her sophistication, while her elegant precision is reflected in the traditional Maori haka ritual. The rustic charm of Oban together with Dunedin's Scottish heritage and Picton's majestic coast lay the framework for a magnificent maiden season.

LEMAIRE CHANNEL, ANTARCTICA

ANTARCTIC EXPERIENCE

Excursions with veteran Expedition Team members in our fleet of Zodiacs are at the heart of your voyage. You'll cruise among towering icebergs, surveying wildlife up close and landing on remote islands and beaches.

PORT HIGHLIGHT

CRUISING LEMAIRE CHANNEL, ANTARCTICA

The icy passage of Lemaire Channel between Booth Island and the Kiev Peninsula is called Kodak Channel, because of its photogenic cliffs and mirror-like waters. Passing the twin basalt towers of Una Peaks starts a day you'll surely never forget.

SEABOURN'S *AMERICAS*

Stretching nearly from pole to pole, North and South America encompass diverse climates, rich cultures, intriguing histories and varied terrains to satisfy the most voracious wanderlust. Our ships sail seasonally in both oceans washing the coasts of these lands, from the furthest extremes to the narrow, canal-cut isthmus connecting them. The views from our deck change daily, whether we find our path trekking to the stunning visual feast of the American northeast in autumn, the palm-fringed Caribbean isles, the trackless Amazon forests or cosmopolitan cities. One thing that does not change is the elegance and ease with which you sail these great oceans.

PANAMA CANAL & SOUTH AMERICA

The phrase New World has a double meaning in the tropical Americas. The colorful colonial cities of Brazil's Northeast and the pastel plantations of the Spanish Main reflect a time when the Americas were news to Europeans. On the other hand, the man-made wonder that is the Panama Canal ushered in another, still newer world, in which American-born industry and ingenuity carved waterways across jungle wilderness. Cruising here, you will see remains of Mayan civilizations already old when Europeans arrived. You will discover vibrant cultures that long outlived their colonial beginnings in Brazil, Mexico and Guatemala. And in Panama, experience a masterwork of earth and water that can raise your ship and send it across a continent.

BOSTON, MASSACHUSETTS

GASPÉ PENINSULA, QUÉBEC, CANADA

BAR HARBOR, MAINE

CANADA & NEW ENGLAND

Autumn transforms the northeast coast of North America into a stunning world of color. The forests of Maine glow like embers in vivid shades of crimson and gold. Leaves of lemon and warm umber accentuate sidewalks from Halifax to Boston. The scent of wood smoke drifts from villages reminiscent of Loire along the broad St. Lawrence. Enjoy a steaming beverage on deck as you marvel at the rugged, bejeweled fall forests fringing Saguenay Fjord. Pay a visit to the Breton-style village of Gaspé. You can even catch a cable-car and ride up to UNESCO-inscribed Dufferin Terrace and admire the majestic towers and pitched copper roofs of the Château Frontenac.

PORT HIGHLIGHT

SAGUENAY, QUÉBEC, CANADA

Cruise the tea-colored Saguenay Fjord between forested slopes, passing Our Lady of the Saguenay's statue on the cliff above. Local residents greet you with treats and tales of their country's history.

SEABOURN'S *EXTENDED* *EXPLORATIONS*

Throughout the year, our itineraries create opportunities for those who prefer longer voyages to simply stay on board, extending their exploration for a more in-depth experience of a particular region, or to traverse from one region to another. Adding a week, a month, or an entire season has other benefits, too. These longer journeys frequently include overnight stays in major ports and special events, both on board and ashore. The most obvious advantage, however, is simply traveling more of the world in exceptional Seabourn style.

Shanghai's skyline seems to grow new, eclectic structures every day. This is China at its most dynamic and dazzling. The early 20th-century edifices of the riverside Bund seem as anachronistic today as Ming Tombs.

Most of all, you'll set sail with confidence, knowing that your trip will meet or exceed your expectations, which is the greatest value of all.

CRUISE FARES

You will be advised of the rate of any such charge at the time of making payment. All fares are in U.S. dollars, per guest, double occupancy and include suite accommodations as booked, all onboard meals and entertainment, fine wines and spirits (bar expenses for select vintage wine and spirits are additional).

If you wish to pay for your cruise by credit or debit card, we reserve the right to levy a charge on such payment.

In that event, we do not assume responsibility or liability for any resulting losses, expenses or inconvenience. Your full cruise fare will be refunded, however, if the cruise is cancelled prior to initial embarkation. Your travel professional can provide more information about SeabournShield®, a program that has been specially designed and economically priced exclusively for our guests. See page 167 for details.

REFUNDS

Partial use of cruise, airfare, hotel and land extensions does not qualify a guest for a refund. All refund requests pertaining to cruise, land and air are subject to final review by Seabourn.

EXTENDED HOTEL STAYS

Fares are per person double occupancy and include daily breakfast, private car transfers, a hospitality representative, portage and bell service gratuities throughout, and all taxes. Seabourn reserves the right to substitute hotels of similar quality. Not all hotels can accommodate triples and quads, and when available may consist of two double beds which may not be suitable for three adults. If you require separate beds, we suggest that you pre-purchase an additional room before the start of your cruise. Special requests such as smoking, king or double beds, etc., are at the discretion of the hotel and cannot be guaranteed. Guests are responsible for incidentals and meals unless noted otherwise. Guests whose Seabourn air arrangements require a hotel "forced overnight" may be accommodated in a property of a different standard than typically used for Seabourn luxury hotel packages.

BAGGAGE & VALUABLES

Each fully paid adult guest will be allowed a reasonable amount of luggage onboard containing their personal belongings. Please remember to check with your airline on their baggage restrictions and limitations. Guests are solely responsible for any baggage fees charged by the airline(s) at time of check-in. Seabourn's responsibility for lost, damaged or misplaced baggage and other personal property is limited by the Cruise Contract. Seabourn is not responsible for camera equipment, jewelry, cash, medications, medical devices, dental appliances, or other similarly fragile and valuable items contained in checked or unchecked baggage, left in the suite or in public areas onboard. These items should be personally carried by guests and placed in the suite safe once onboard. Please review the Cruise Contract terms and conditions for additional information. For your safety, all baggage must pass a security checkpoint.

CHILDREN TRAVELING WITH AN ADULT

Please note that some countries have special requirements for minors (under age 18) who

are not traveling with both parents. Children under 18 years of age must be accompanied by an adult and if that adult is not a parent or legal guardian, written permission from the parent or legal guardian is required. Please discuss this with your travel professional.

MEDICAL SERVICES

Each of our ships is equipped with limited medical facilities that are staffed by a physician and registered nurses. The physician is an independent contractor. There will be a fee charged for all medical services and medications obtained on board. If you become ill during the cruise and the physician is unable to care for your needs on board, you will be transferred to medical facilities on shore. If your condition will require that you have special medical apparatus or assistance on board, we must be made aware of that at time of booking in order to determine whether we can accommodate your needs. If you are using prescription drugs, please bring an adequate supply with you and keep them in your carry-on luggage.

MINORS AS GUESTS/PREGNANCY POLICY

Guests under 21 years of age must be accompanied by a parent, guardian or chaperone who is at least 21 years old; one adult chaperone is required for every five people under age 21. We will not accept reservations for infants 6 months or younger for non-transocean sailings, 12 months or younger for transocean sailings at the time the cruise commences. Seabourn cannot accept a booking or carry any guest who will be 24 completed weeks or more pregnant on the last day of the intended cruise. All pregnant women are required to produce a physician's letter stating that mother and baby are in good health, fit to travel, and that the pregnancy is not high-risk.

EMBARKATION/DISEMBARKATION

The ship generally will be available for embarkation two hours before the scheduled sailing time noted on the itinerary sent with the final documents. You are responsible for arriving at the respective port on time for embarkation and for joining the vessel at its next port of call if, for any reason, you miss a scheduled sailing. Seabourn reserves the right to refuse or discontinue passage to anyone when, in Seabourn's judgment, it would be considered a risk to the guest's own safety and well-being or the health, safety, well-being, comfort and enjoyment of any other guest or crew member. On disembarkation day, suites must be vacated two hours after the scheduled arrival time, unless otherwise approved by the Hotel Manager. Guests making their own air arrangements should allow 3 to 4 hours for transfer time to the airport once customs and immigration clearance has been completed.

GUESTS WITH DISABILITIES

We do not discriminate against persons on the basis of disability. We seek, to the extent feasible, to accommodate the needs of persons with disabilities. Guests with disabilities are welcome aboard Seabourn ships. Guests who have medical, physical or other special requirements must advise Seabourn's Reservation Department at time of reservation. Upon notification by a guest with a disability, Seabourn Reservations can assist in providing any relevant information pertaining to accessibility onboard the vessels. We have a limited number of suites designated for wheelchair access. Due to the configuration of our ships, individuals using a wheelchair and individuals with vision loss may experience some difficulties in accessing certain areas. For safety reasons, guests in wheelchairs cannot be carried up staircases or gangways, nor on launches when the ship is at anchor. Seabourn is pleased to permit individuals to bring qualified service animals on board. Notice that a guest will be traveling with an animal must be provided at the time of booking. Local laws or customs may prevent animals from disembarking at particular ports and countries. It is the guest's obligation to obtain all documents/health certificates that may be required. Consult local customs authorities for information and requirements.

In limited situations where an individual with a disability would be unable to satisfy certain specified safety and other criteria, even when provided with appropriate auxiliary aids and services, we may find it necessary to ask the individual to make alternative travel arrangements.

Guests with conditions requiring ongoing medical assistance may be asked to have their physician provide a confidential certification form to ensure that they may travel safely.

For further information regarding accessibility of our ships and ports of call please contact our Reservation Department at 800.929.9391 or 206.626.9191.

Cancellation fees for certain shore excursions may be up to 100% of the shore excursion price, depending on the shore excursion. For on board cancellations of shore excursions, please speak with the Shore Excursion department on board for the actual cancellation fee amount. INTERNATIONAL TRAVEL DOCUMENTS & HEALTH INFORMATION

All guests must carry their valid passport. We strongly recommend carrying a passport that is valid for at least six months beyond the completion date of your travel, as this is required by some countries. In addition, certain countries may require entry visas. **You are responsible for securing proper documentation for the countries visited on your cruise and overland tour destinations.** Boarding may be denied or fines

may be levied against those guests without proper documentation. Payment of any fines levied is the responsibility of the individual guest. Consult your travel advisor for advice on such requirements. Visa requirements vary by destination country and are subject to change by governments without notice. During a voyage, circumstances may require that Seabourn obtain a group entry visa for all guests, the cost of which will be charged to the guests' on board account. You will be provided with preliminary cruise documents approximately three months prior to departure. These will contain instructions for viewing visa information from an independent visa service online, should you wish to avail yourself of this service.

Vaccination/immunization requirements vary considerably depending on the area of the world visited, and are subject to change at any time. We strongly recommend that all guests contact their personal physician, the Department of Public Health or the Centers for Disease Control for specific recommendations and/or requirements.
